*Since its founding in 1998, Starwood Industries had grown to be one of the industry leaders in the GCC Market.*

*We specialize in design, manufacturing, Supply and installation of kitchen cabinets, doors and wardrobes.*

*Starwood Industries implements and maintains a quality managements system in accordance with the ISO 9001 standard. and is certified by BM TRADA to meet the requirements of BS 476 for fire doors.*

*In 2005, we doubled our manufacturing capacity and now we are poised to cover the entire GCC region. also we are now in a position to enter the European market through our competitive rates and quality work.*

*Looking forward, Starwood Industries plans to expand its operations beyond the local UAE market. We are looking to set up FOUR manufacturing plants in the Middle East area.*

# D O O R S
